

Emergency First Aid at Work Training

This one day first aid course is aimed at training a first aider to recognise the scale of an emergency, prevent loss of life and arrange help for the casualty. This basic course will concentrate on emergency procedures only, and the candidate must **not** attempt first aid techniques which have not been covered within this course, or accompanying First aid manual. This course complies with "First Aid at Work" legislation. First aid certificate (A4 and pocket size) is awarded to successful candidates. A training pack and first aid manual is included.

Respite Now is a Community Interest Company, registration number SC0421677
